

LEADERSHIP
LAB

Do you lead a team of leaders who are successful...

yet have not reached their potential, and could benefit from sharpening their **self-awareness, communication and leadership skills?**

Is the engagement of their team members slipping, and they're experiencing unwanted attrition?

Solution

Connect the Dots has the solution that will get your leaders the key skills needed in a fraction of the time it would take to do it yourself. And less time than having to research all the external options, pick one, and then not be confident that it will work.

We want your leaders and their teams to benefit from our 20+ years of leadership development experience. We have crafted a series of brief learning sessions that quickly get to the heart of your development needs and produce immediate results for your people leaders.

Objective

This program will equip leaders with key knowledge and tools they require to be the best leaders possible and adapt to today's workplace expectations.

Topics Offered in 2025

- ✓ **Intentional Leadership Profile** - unleash the power of your leadership profile
- ✓ **Courageous Conversations** – improve your success and strengthen relationships
- ✓ **Decision-making in a "Firefighting" Environment** – ignite radical prioritization

Topics will be presented in an interactive, lab-style setting. Each participant will receive 3, 1:1 coaching sessions with a certified executive coach after completing the initial session.

The live-facilitated sessions will be either in-person or virtual, depending on your organization's needs and preferences.

\$3,000

Module/ Participant

- One 4-hour group learning session
- One personality assessment, all pre-work, a participant guide, resources to support learning
- 3 individual coaching sessions with a certified executive coach

A discount will be offered if you register for all three modules
